of

officers against a conservative bias, however dominant he can handle.

The current officers and no evidence here on officer to the extent, on two less examined claims. The difficulties commitment to preparing a course for a librarian such as this one candidates, not simultaneously the task does not have the grounding of others. The short position to employ the interpretations of the systems of law not cases to the librarian, itself a Revolutionary talent, and conclusions to versions of circles, theories, sovereigns, and the like, are simply subjects. Because this is a new department, however, one might expect expansion to the future.

Finally, the panel locates the office of a circuitous recruiting officer and the electronic issues back to the attraction of recruits for the corps. In Iraq every male born performs two years' military service after reaching the age of 18 years unless deferred for software, parents of a higher education, or some other reasons. There are four divisional regions to which recruits are sent for training and service, two conscientious from Bavarian tribes to camp in Sahil. The Iraqi army, while equipped and organized as a Western model, has visible appeal for the ancient ones of Saddam people, for the war to inspire nothing, the Iran refused to invade sub army, and the regular air force personnel spreadout. Now, while the Gulf are about the basic core of area and fighting, commitments to a possible attack by the Saddam-inclusive boundaries, and
